ORGANIZERS

MMM 2019 is organised and hosted by the South African Council for Automation and Control (SACAC), which is the National Member Organization of the International Federation of Automatic Control (IFAC). Feel free to contact the organizers for any question, recommendations and feedback.

The event is co-sponsored by IFAC, who has the mission to promote the science and technology of automatic control for the benefit of humankind. [TC 6.2. Mining, Mineral and Metal Processing](#) is the main IFAC technical committee co-sponsoring this event. The event is further co-sponsored by the following IFAC technical committees:

- [TC 2.3 Non-linear Control Systems](#)
- [TC 2.4 Optimal Control](#)
- [TC 4.2 Mechatronics Systems](#)
- [TC 4.5 Human-Machine Systems](#)
- [TC 6.3 Power and Energy Systems](#)
- [TC 8.3 Modelling and Control of Environmental Systems](#)

Should you as a company, institute, or agency want to contribute as sponsor to MMM 2019, please contact us for further information info@ifacmmm2019.org.za.
